Samuel Ackerly, M. D. in his excellent edition of Huoper's Medical Dictionary, under the head of 'Truss,' after enumerating the end of the open and the head of 'Truss,' after enumerating the end of the control ormerly worn, says, This evil was York, turned his attention to the subject, and by his improvement in the construction of traction, has rendered it certain that all recent repairs. tures and those rechildren, may be perman ly cured, and those of old people and of tanding, may, in many cases, also be reme died. The pad of Dr. Hull's Truss is concare, and not convex; and hence the raised circular. margin, by proper adaptation, presses upon the sides of the hernial opening, and tends to close the aperture and cure the hernia.

M. L. Knapp, M. D. late Physician ande Surgeon to the Baltimore General Dispensary. in a communication to Docter Halle says: 12 have applied your trusses in several handreds cases during the last three years. A great, many upon whom I have applied your trusses, nave been radically cured; and some of these were cases of long standing, where all other trusses had failed. I send you a note of thanks from Mr. P. a citizen of great respectabilit, who was cured of a ball scrotal rapture, of thirty-five years standing, by wearing one of your trusses for two years. He had wornsther trusses twenty nine years. His son, also, aged 16 years, ruptured from his infancy, was Experience alone, can make known to the Seral Schools in this city, and the Faculty in gen-
